#### **RESOLUTION**

#### A RESOLUTION BY THE GOVERNING AUTHORITY OF DEKALB COUNTY, GEORGIA, PROPOSING A LIST OF DETAILED PROJECTS REQUESTED TO BE UNDER CONSIDERATION FOR FEDERAL FUNDING

WHEREAS, the DeKalb County Board of Commissioners, in pursuit of funding for the development of community projects, proposes a list of detailed projects submitted for consideration of federal funding; and,

WHEREAS, the Federal FY2023 appropriations process is available for receiving requests for localized community spending projects, giving DeKalb County an opportunity to provide robust infrastructure expansion, improved quality of life for citizens, and economic development opportunities throughout the County; and,

**WHEREAS**, DeKalb County has historically recognized the importance of community partnerships with organizations such as the PATH Foundation, the Peachtree Creek Greenway, the Atlanta Beltline, and others that have worked to boost the local economy and foster outdoor health and recreational opportunities; and,

WHEREAS, DeKalb County also recognizes the mutually beneficial advantages derived from partnerships with incorporated cities and communities within the metropolitan Atlanta area, as it relates to providing a throughfare of connections for infrastructure, parks, quality of life, and economic development opportunities; and,

WHEREAS, the outcomes derived from these spending measures will produce a plethora of benefits for all of DeKalb, including: connectivity and enhancement of trail systems, street infrastructure and safe-sidewalks accessibility, increasing wellness through the Parks system, improvement of County facilities, and community development efforts that benefit all County residents, with an emphasis on seniors and youth; and,

WHEREAS, further community impact will include expansion and connection of a regional trail network that is both a transportation system and a recreational amenity, by providing options for alternative modes of transportation and pedestrian safety, while producing zero emissions and boosting community health.

**NOW, THEREFORE, BE IT RESOLVED,** in the pursuit of the achievement of these outcomes, DeKalb County is submitting to the Federal Government the attached spreadsheet (Exhibit A) that outlines the opportunities to utilize federal funds related to enhancing County infrastructure, quality of life initiatives, and stimulating economic development.

ADOPTED by the DeKalb County Board of Commissioners, this \_\_\_\_ day of , 2022.
